This is Brian. Here's what I'm giving PM for Biden bilat. Let me know in next five minutes if you have comments

1)~ Show POTUS you are on this – This has to end and it will end

~ Windsor

o~ likely enforcement as soon as tomorrow

o~ 5 police forces on site

o~ This morning: one lane opening, though work ongoing there

o~ Ontario announced jail time, fines, penalties – already having impact

§~ Progress now with Ontario Premier declaring a state of emergency, prepared to impose fines, and ready to take away commercial licenses.

~

~ Alberta

o~ RCMP leading in Alberta, traffic moving in both directions

~ Preventative - Working to copycats protests. Toronto, Quebec City, Ottawa Airport all managed

~ Working to impose sanctions and seize vehicles via Transport Canada

~

2)~ Emphasize American and Global influence

~ Money – 40/50 percent of GoFundMe from Americans.

People – protestors with US Flags, Americans flooded 911 system yesterday

Political – FOX News, Governors, Brietbart

~

3)~ Appreciate US offers of heavy tow trucks and immigration bans.

~

a.~ Detroit and Windsor talking on tow trucks, police forces working it through now.

~

b.~ Assessing our privacy issues on immigration side, but keen to see what's possible.

~

4)~ Appeal: We are in this together. We benefit from our integrated supply chains. Some U.S. politicians are arguing for more protectionism. That's a mistake. This could happen, and is happening to either of us.
